

Cedar Falls Hospitality Highlights

June 22, 2009

Mission of the Bureau: To foster, promote, market, and service our community as a quality destination for visitors.

★ **THANK YOU to everyone who helped with this year's trail count!** Counting trail users in ten locations throughout the metro area's 106 miles of trail from 6am to 9pm for an entire week is a huge undertaking. It's important information, though, and **we thank the INRCOG office for managing the project and all the volunteers who helped out.**

★ **It's been a year since the horrible floods of 2008.** A good number of people and businesses are still in the recovery process. In remembrance of not only the tragedy, but also of the heroism and neighbor-helping-neighbor mentality that took place, there is a special observance being held June 24th in front of North Cedar School. The Northern Cedar Falls Flood Observance Event will take place from 5pm to 8pm with pork burgers provided by the Black Hawk County Pork Producers, beans, chips and ice cream. Music will be provided by the Ramblers and games are planned for the kids. A blackhawk helicopter landing will take place, and info tables from city and area agencies will be set up. A non-denominational prayer service will also take place. Due to the generosity of sponsors, there is no charge to attend.

★ **Two Banner Carriers are needed for the Sturgis Falls Kids Parade this Friday Night.** The parade starts at Lincoln School and ends on the corner of 3rd & Clay Streets. Call Vanessa in our office.

★ Remember, the **Sturgis Falls Fireman's Dance, Car Show, and 50's and 60's Dance** have been moved from the site of the Beach House to Gateway Park.
