UNI LOOP

UNI LOOP

If you're looking to see the campus this 8.5 mile loop gives you a chance to enjoy! You'll cruise through the UNI campus, past the UNI Dome, over rolling hills on the west side of town, and come back past golf courses and sports fields.

PRAIRIE CRUISE

Songbirds and prairie flowers abound on this 15 mile ride from downtown to Prairie Lakes Park and back. You'll follow Dry Run Creek through beautiful Rownd Park, enter a mile-long tunnel of overhanging trees, and emerge into prairie grasses and abundant blossoms.

CEDAR RIVER LOOP

The most popular loop of the system, this 9 mile ride takes you along the Cedar River to George Wyth State Park, then across the river and back through the Hartman Nature Reserve. It's shaded and deliciously cool on a hot summer's day.

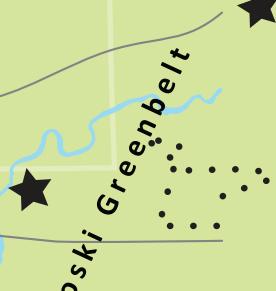

CEDAR RIVER LOOP

GREENHILL ROAD LOOP

GREENHILL ROAD LOOP

You will find a little bit of everything on this 10.5 mile loop: shaded riverside riding, rolling hills, and residential developments. Plus you will cross Krieg's Crossing over the Cedar River!
