2021

Dear Event Planners,

On behalf of the City of Cedar Falls, thank you for your consideration of our city as the hosting location for your event. You'll find Cedar Falls a friendly and memorable venue, with plenty to keep your attendees busy and involved.

As the home to the University of Northern Iowa and a thriving economic base, Cedar Falls is proud to be a statewide leader in education, professional services, and tourism. We also can boast TWO major event centers, first-rate hotels, restaurants, shopping experiences, trails, and cultural venues to ensure our success as a memorable (and affordable!) event destination. With an increased reliance on remote connectivity and telepresence for events, also know that Cedar Falls has been recognized as fielding the country's fastest internet service!

I encourage you to connect soon with our experienced and talented Visitors and Tourism Bureau staff to develop an excursion itinerary your event attendees will long remember. They can also be of great help to arrange site visits, welcoming services, and much more as you program your event.

Again, thank you for considering Cedar Falls -- it's a true honor! Please don't hesitate to reach out to me at (319)268-5118 if I can be of service in helping you to make Cedar Falls the top choice for your special event.

Sincerely,

Mayor Rob Green
