The Cedar Falls Brown Bottle has been a Cedar Valley tradition for almost 50 years, open 7 days a week, beginning at 4 pm serving a delicious range of homemade Italian entrées, appetizers and desserts. There are two party menus to choose from and may be viewed on the website.

The venue is two stories with party room one upstairs (no elevator) overlooking the lawn and a tributary of the Cedar River. Room two is on the main level, overlooking the back woods area and garden patio. Overall, the building is warm and welcoming, featuring earth tones and cozy eating areas arranged in various rooms to provide privacy.

The Brown Bottle has two private parking lots with 40 spaces in front of the restaurant and 40 in the lower level behind the restaurant. Additional parking is available after hours at the business next door.
