The Cedar Falls Woman's Club was built in 1867. This beautiful Victorian home offers a unique meeting space for weddings, receptions, meetings, showers, reunions and luncheons. The house is available to rent 8:00 am to midnight by organizations and private parties. You may rent all or part of the house, depending on the size of your gathering. The rental includes the use of the Ballroom, Stage, Parlor, Balcony, Boardroom and Dressing Rooms. There are 30 parking spaces available and plenty of on-street parking.

The woman's club has been in operation as an in house catering facility since its beginning in 1929. There are discounted rental prices using our catering services. We have a wide variety of breakfast, dinner and lunch options. Outside catering may be used. Can/bottle beer, wine and champagne are permitted. All events serving alcohol require a security officer.
